Henry Jones Art Hotel

Hobart's oldest waterfront warehouses have been thoughtfully reimaged as Australia's first dedicated art hotel. The hotel blends modernity with an industrial past. Henry Jones represents a fusion of old and new, art and design, indulgence and discovery. The warm and engaging service from their curators of history and art is a hallmark of this sophisticated boutique hotel. Attention to every guest is unique – much like the 500 contemporary Tasmanian artworks lining the hotel walls.

Deluxe Spa Harbour View Rooms – These rooms overlook Hobart's stunning waterfront, framed by views of the city and Mount Wellington.
