Indulge In Our Signature Departure

February is considered one of the best months to visit South Africa! The time is revealed the breathtaking scenery, quaint coastal villages and cosmopolitan cities that can all be combined with a truly exhilarating Big Five safari. Indulge in a full day in the spectacular Cape Winelands. The estates visited will vary according to your preferences, but the tour includes the regions major wine producing areas and visits some beautiful wine estates for tastings of high quality vintages.

Nestled in a valley where the French Huguenots settled in 1688, Franschhoek is a delight for antique lovers and gastronomes (the town boasts some world-famous eateries). South Africa’s second-oldest town, Stellenbosch provides another glimpse of classic 17th and 18th century Cape style, with a chance to browse quaint Dorp Street, visit the museum or explore the many galleries and shops of this university town. Wine tastings are tailored to the estates opening hours and the guests wine preferences.

DAY 6 (17Feb)
Cape Town Old & Modern I

This morning depart for your journey to Cape Town.

Once in Cape Town experience guests are invited on a sensory journey through the social and political history of multi-cultural Cape Town, with its diverse influences and fascinating history.

Explore the legacy of apartheid at District Six, from where a vibrant and colorful community was forcibly removed and relocated onto the barren Cape Flats in the 1970s, when many historical buildings were levelled to the ground OR Delving even further into Cape Town’s history, the tour proceeds to the Slave Lodge, built to house the slaves of the Dutch East India Company in 1679. One of the city’s oldest buildings, it has since seen varied use as a courthouse, government offices and, finally, a museum.

Lunch is in the Bo-kaap area and the afternoon offers an opportunity to walk off the delicious meal on a walking tour of Langa, the first township established in Cape Town during the apartheid era. Vibrant and lively, Langa enters the senses with it bustling streets and taxi ranks, busy community projects and thriving arts and crafts shops.

Enjoy lunch at BAIA Restaurant. Since opening its doors in 2001, the reputation of Baia has spread far and wide as a sophisticated landmark for fine cuisine and wine in the Cape. Set in a prime spot at the Victoria Wharf, Baia (pronounced Ba-hia and meaning the Bay) enjoys spectacular panoramic harbour and ocean views. It has a cocktail bar, interior dining areas and covered outside dining areas spread across four terraces. Baia specializes in the finest seafood from around southern Africa, the finest poultry, beef and venison and a renowned wine-list with rare Cape vintage wines and imported liqueur selection – and has earned the reputation as the place to indulge in the best seafood platter in the Cape. Patricio Cumaio, chef de cuisine, believes in using only the finest ingredients. He created the fare at Baia, with a menu inspired by a combination of fine continental cuisine and Portuguese colonial traditions. One of the legendary house specialties tempts diners with a cataplana a Portuguese influence, a veritable feast of prawns, langoustines, mussels, calamari and linefish.

The afternoon is spent visiting galleries and museums in Cape Town. Then you will check-in Belmond Mount Nelson Hotel Cape Town.

Dinner will be enjoyed at the Greenhouse Restaurant.

Cape Town Old & Modern II

The ferries depart from the Nelson Mandela Gateway at the V & A Waterfront. The tour takes 3.5 hours including the ferry trip to and from the Island (Depending on the boat used as they have different travel times).

You will disembark at Murray’s Bay Harbor situated on the east coast of the Island and take a short walk to buses that will transport you to all the historical sites around the Island. On the way to the buses, you will pass buildings and a high wall built by prisoners during the 1960s. The buildings were used for family and lawyer visits to prisoners. You will meet your tour guide when you have boarded the busses. The tour guides inside the prison are former political prisoners. They are fully conversant and knowledgeable about the Island’s multi-layered 500 year old history.

The tour route includes the graveyard of people who died from leprosy, the Lime Quarry, Robert Sobukwe’s house, the Bluestone quarry, the army and navy bunkers and the Maximum Security Prison where thousands of South Africa’s freedom fighters were incarcerated for years. The tour culminates with a viewing of Nelson Mandela’s cell. Please note: Robben Island Museum will no longer accept tickets that do not reflect the ticket holder’s full details (name & surname). Should the ticket not correspond to the proof of identification (passport or SA ID document), guests will sadly not be permitted to board the boat to the island.
